ROBINAGE

1

It's **Dussehra** tomorrow.
Do you know why this
day is celebrated?

2

It's Mahatma Gandhi's
birthday today. List three
things that remind you of him.

3

The faster kangaroos
hop, the less energy they
consume.

4

It's **World Animal Welfare
Day**! Did you know animals
can feel emotions just like
humans? Elephants comfort
each other when sad and
dolphins have best friends.

5

Most leopards live for
about 12 years in the wild.
But they can live for up to
23 years in a zoo.

6

Crocodiles continuously
grow new teeth to replace
old ones.

7

A baby octopus is about the
size of a flea when it is born.

8

It's **Indian Air Force Day**.
Established in 1932, IAF
is the world's fourth-
largest air force.

9

Peladophobia is the
fear of bald people.

10

India Post Day
is celebrated on this day.
Did you know, India has
close to 1,65,000 post offices!

11

7,000 new insect species are
discovered each year.

12

Only male crickets
can chirp.

13

An elephant's trunk consists
of 40,000 muscles.

14

Honeybees must visit about
40 lakh flowers to produce
a kilogram of honey.

15

Ichthyomaniacs are people
who are crazy about fish.

16

It's **Dictionary Day**.
Learn 10 new words from
the dictionary today.

17

Some asteroids have other
asteroids orbiting them.

18

It's **Dhanteras**—the first day
of Diwali. Clean your room
and get ready to welcome
Goddess Lakshmi.

19

Goa and some parts of
South India celebrate
Chhoti Diwali today by
burning effigies of the
evil Narkasura.

20

Happy Diwali! Get the
rangoli colours out and get
your home ready for your
family and friends.

21

It's **Govardhan Pooja**,
a day when we honour
Lord Krishna and the
Govardhan Hill.

22

Celebrate **Bhai Dooj** today by
promising your sibling that
you'll always stand by them!

23

Gopher snakes in Arizona
are not poisonous, but
when frightened, they may
hiss and shake their tail like
rattlesnakes.

24

Plants watered with warm
water grow better and
faster than those watered
with cold water.

25

A bird uses its stomach
muscles to break down its
food instead of chewing.

26

In the 1830s, ketchup
was marketed as a cure
for indigestion by an
American doctor.

27

Your nose can remember
over 50,000 different scents.

28

Most dreams last only
five to 20 minutes.

29

Bananas are technically
berries, but strawberries
are not!

30

Crows can recognise
human faces and
remember people who are
kind or unkind to them.

31

Halloween has its roots in
the ancient Celtic festival of
Samhain, marking the end
of the harvest season.
